

“I Love Tuscany”

With The Inspired Tourist

Join me in Tuscany September 2023!

YES! We're headed back. Again, we are taking a group to one of our favorite spots on earth!

We will spend 5 nights in the hills of Tuscany

September 13-18th 2023

In September of 2022 we will be traveling to the heart of Tuscany to explore, eat, shop, learn and share. Join us in a Tuscan hillside town for a week of creativity, cooking, wine tasting, sharing of ideas, meditation, antiques and more.

You will be cultivating community with others, and taking part in the relaxed Italian way of life. Perhaps the best part is that you will share the experience with others (which we have SOOOO missed) and make friendships that will last a lifetime.

The retreat will be hosted in a Liberty Style Villa and a Large Palazzo Home located 30 minutes north of the walled city of Lucca, among farms, hillside towns, and ancient castles. In this setting, we will experience the charm of Italy and enjoy community and inspiration.

Some Questions Answered

- **Our Stay in Italy:** We have private shuttle pick up and drop-off in Florence, we can suggest hotels for you. You can arrive and depart at any location in Italy as long as you are in Florence at the time of pickup. I always recommend that you give yourself AT LEAST one full day on either end of your trip in case of flight delays etc. Besides, you are in ITALY! You might as well see some other sights while you are there. Our shuttle is a courtesy to our guests, if you miss the pickup or choose not to take it, we can suggest private car service that will get you to our location.
- **What's included in the price?** Your stay will include 5 nights at the hotel including breakfast every morning (breakfast varies based on hotel), and dinner on our first night. Private Shuttle to and from our location to Florence. It will also include wine tasting and lunch one day, a trip to the Antique Market in Lucca and a tour of the town. The Villa has a pool and lots of space to hang out so you will not feel confined in the least.
- **What is the cost?** The trip starts at \$2695, per person double occupancy (based on room selection-they are all different) and not including airfare. The deposit is \$500. Single room for the trip is an additional \$800
- **How many people will be on this trip?** Not usually more than 10 (not including staff)
- **How do I get on the list or contact you?** You will see a link for an application above, the payments can be made using check or PayPal, Venmo or Zelle. This trip has limited space.
- **What is the rooming situation and what is the situation regarding COVID?**
GREAT QUESTION: The trip is priced at double occupancy but we will be able to book single rooms on a limited basis for an extra cost (see above) One of the reasons that we have chosen to spend time in the countryside is for the opportunity to enjoy Tuscany while still making the most of the outdoors. We will be following protocols as we go, including the tours etc. **We now require trip insurance!** As you know, the airlines have made it much easier to cancel your flight without penalty. As with all of our trips, if at any time you choose not to join us for a dinner or an event, that is totally fine. There will be many opportunities to paint, take photos, write and explore, always do what makes you feel comfortable. Italy is WIDE open to travelers!
- **Does this location accommodate the handicapped or those with physical limitations?**
Unfortunately, Italy has LOTS of cobblestone streets, stairs and hills. We would love to have you join us but please know your enjoyment or the experience would be limited. There is a LOT of walking on this trip, some of it uphill and the lodging does not have an elevator.

SIDE NOTE: I have traveled to Italy and France both in the last 6 months and everything was GREAT! Very relaxed, yet cautious. I felt extremely comfortable!
