The Italian Riviera

September 10-15 2023

WANT TO PAINT WITH PAM ON THE ITALIAN RIVIERA? SEPTEMBER 10-15, 2023

Express your creativity in your own way, surround yourself with art and history and creative friends in Italy!

Join me for 6 days and 5 nights in Italy!

The Italian Riviera is a stretch of coastline with an enchanting mix of history, pristine beaches, panoramic views, vibrantly colored homes, and mouthwatering regional cuisine, in fact, lovers of la dolce vita and artists, writers, celebrities and royalty have been flocking to this glamorous destination since the 1800s—and it's easy to see why! We will meet up for our adventure in Florence (perhaps you can spend time soaking up the birthplace of the Renaissance) and then head to The Italian Riviera with a stop in Portofino!

Once at our destination, we'll explore the area, visit an Abbey via the sea, learn to cook a local dish, shop, taste wine and tour our favorite small town.

Most of all, we will be creating community with artistic (new) friends as we paint and express ourselves!

Some Questions Answered

- Our Stay in Italy: I always recommend that you give yourself AT LEAST one full day on either end of your trip in case of flight delays etc. Besides, you are in ITALY! You might as well see some other sights while you are there. Our shuttle will pick up in Florence on the day our trip begins, it is a courtesy to our guests so if you miss the pickup or choose not to take it, we can suggest private car service that will get you to our location.
- **How do I get on the list or contact you?** You will see a link for an application,, the payments can be made using our payment portal. This trip has limited space. https://theinspiredtourist.com/trip-application/
- What is the rooming situation? GREAT QUESTION: The trip is priced at double occupancy but we will be able to book single rooms on a limited basis for an extra cost (see above) One of the reasons that we have chosen to spend time in a small town is to enjoy the beautiful coast while still making the most of the outdoors, our hotel is beautiful and has TONS of common space to hang out in.
- We now require trip insurance to make sure you are covered! We learned a little something in 2020 didn't we? As you know, the airlines have also made it much easier to cancel your flight without penalty. We require trip insurance so that if life-events disrupt your trip you will be covered. You are responsible for which insurance you choose, please read all the details.
- Does this location accommodate the handicapped or those with physical limitations? Unfortunately no, Italy has LOTS of cobblestone streets, stairs and hills. We would love to have you join us but please know your enjoyment of the experience would be limited. *Cindiamo!*
